

## REMARKS/ARGUMENTS

This is an Amendment under 37 CFR 1.312. By this Amendment, Claim 11 is amended to recite said side walls defining an interior chamber and thereby provide proper antecedent support for the later recited "interior chamber."

Also, Applicant hereby amends paragraphs [0009] and [0010] so that they substantially conform to the independent claims as allowed. Paragraphs [0011] and [0012] have been deleted.

Applicant submits that none of the amendments described above constitute new matter. Accordingly, favorable consideration and entry of the amendments is respectfully requested.

Respectfully submitted,
